Hello Fellow Realtors,

Please take a couple of minutes to watch and listen to this CNBC piece that aired recently. It really shows what our RPAC does for us and the power we have in shaping the issues that affect not only what we do for a living but how the marketplace affects our local, state and national economy.

It is getting closer to dues billing and if this piece doesn't urge you to continue or expand your support of RPAC I will be surprised. I am always willing to speak to anyone with questions about why this is vital to our organization but I think this bit of reporting says a lot!

I hope you are all having a fabulous summer.

Best regards,

Laurie Mecier  
VERPAC Chair
